Washington Music Educators Association Board Resolution

Whereas, the month of May has been recognized as Arts Education Month by many communities and school districts across the state of Washington, and

Whereas, the arts embody much of the accumulated wisdom, intellect and imagination of humankind; and

Whereas, learning in the arts enhances and enriches the lives of all students; and

Whereas, the arts play a unique role in the lives of our families and our communities; and

Whereas, all children deserve a quality arts education; and

Whereas arts education teaches creative problem-solving and cultural knowledge and offers multiple pathways to understanding for different types of learners; and

Whereas as the arts are essential academic learning requirements in our state and a core academic subject area in our nation and

Whereas arts education increases connections and engagement between teachers, students and the connected community that surrounds them;

Now, therefore, be it resolved, that we, the Washington Music Educators Association, do hereby proclaim May as Arts Education Month in the state of Washington and call upon our members to celebrate and promote the arts in our schools and to take action to provide equitable access to arts learning for all students in our learning community.

Signed, this Day, March 22, 2009

Mark Lane, President
